Finishing your tax return

i **Calculating your tax** - if we receive your tax return by post or online by 31 October 2015, we will do the calculation for you and tell you how much you have to pay (or what your repayment will be) before 31 January 2016.

We will add the amount due to your Self Assessment Statement, together with any other amounts due.

Do not enter payments on account, or other payments you have made towards the amounts due, on your tax return. We will deduct these on your Self Assessment Statement.

If you want to calculate your tax, ask us for the 'Tax calculation summary' pages and notes. The notes will help you work out any tax due or repayable, and if payments on account are necessary.
